Boat Safety Certificate Expiry	June 2026
Recent Survey	2018
Latest Hull blacking	August 2023
Anodes	August 2023

Boat Description

Rosaline is a 57' Traditional Stern built in 2006. This vessel has been beautifully looked after and upgraded over the years by the current owner. The light and open interior gives a wonderful sense of space yet provides a practical layout with bags of storage. This is evident to see as you step down from the well deck into the Saloon.

The saloon space immediately gives you that sense of space yet holds a cosy feeling. The painted timber panels and ceiling help to bring the light into the boat. The saloon offers a large comfortable sofa bed which can easily sleep 2 guests and has the added advantage of having storage underneath. The Saloon also offers a multifuel stove, a large full-height storage cupboard and fitted TV under gunwales.

The large galley is next which, as you can see, has a huge amount of countertop space something which is fairly rare in most boats. This in turns provides a great amount of storage space as well a practical room to prepare the meals and snacks for the day. The galley is also served with large windows, rack storage and all the utilities you would expect. A great space to cook and be sociable at the same time.

Moving aft from the galley is the shower room and toilet. Finished shower paneling throughout you have a practical easy to keep clean space. With a cubicle shower, vanity sink and cupboard and an additional wall mounted cupboard unit you have a space you will want to use.

The last large space is the bedroom with a fixed double bed. Having portholes for privacy helps to give this space a sense of peace and a comfortable night's sleep. Like the others this space is hugely practical with storage underneath the bed as well as room for full-height storage at the end of the bed.

Rosaline 57' Trad stern

Finally before moving into the engine space you find a lovely additional little utility area. A great space to drop off your wet clothes and boots from a day's cruising on the cut

Rosaline is a lovely vessel that will offer the next owner a great space to enjoy the waterways.
