Boat Description

Dragonfly is a 50' narrowboat built and fitted by Reading Marine in 1998. This is a classic Reading Marine fit out, with great consideration to practical layout, loads of storage and of course the high quality this boat builder was renowned for. Dragonfly is ready to go and ideal for all types of cruising.

Externally Dragonfly is in great shape and well maintained. Internally, Dragonfly has been well kept and is very clean and tidy, finished with carpet throughout and the classic Reading Marine oak veneer and solid oak trims.

Starting from the Bow you come down into the saloon cabin with fitted L shaped sofa offer the +2 berths as well as ample storage underneath. This space also provides a multifuel stove and large storage cupboards on the starboard side. This also houses a stereo system.

The Galley is next and as you can see from the photos utilizes eye level oven freeing up under counter storage for pots and pans and more. A full sized LEC fridge is also available. These surprise is under the sink unit which house a small Zanussi washing machine.

Further aft is the bathroom which does hold a bath! There is also an over the bath shower unit to give you lots of washing options. This space has a nice ceramic sink with a cupboard underneath and a pump out finished off the bathroom.

The bedroom comes last before moving to the back deck. The double bed has a Tempur mattress on top with storage a plenty in the way of under bed storage a full sized and deep wardrobe and an additional small wet locker.
